There is No Way of Keeping Him Out of It.

The New York Herald, a Gold Bud Paper, Practically Gives It Up.

The Combined Vote of the Demo crats and Populists All Over the Country

#### IS SURE TO ELECT HIM.

(From the New York Journal)

The Herald may not be the best Informad navespaper in the city on political matters, but It fire as wall as an activation of the calculations of the probable selection results grow as far as its opinity grow as far as its opinity grow of the probable selection results up to last Sunday, it gives Bryan 210 electoral votes and McKinley 227, or thirteen more votes then are necessary to a choice. The Herald's canvase is most ascouraging to time Democratic party, especially as it comes from a hostile source. Included in the Bryan column ser the following States, which are by some calculations classified as uncertain:

silver at a ratio of 16 to 1."

Wh is tince facts to guide us it le easy to see what the careful canvesse made by the Iteration and the Iteration of the Iteration on the section in 1882 there was no fusion on the slectoral tickety, and the voice of the state was as follows: 138,151
Democratic 188,151
Democratic 25,531 Would American Free Coinage Double the Price of Silver in the Markets of the World?

or an appreciable precision injon in tryears to come. It is not my purpose to repeat the time bonored arguments showing the correctness of the bells! that the value of currency, other things being rayal, does depend upon its volume. That principle is not only accepted by the common seems of the unicarned classes, but is taught by vary international dimensillist and by every one of the classic political and by every one of the classic political conomists. I merely with to tell two littlestands of its truth. When the Manoletonic want led to the employment

#### BY FRAUD.

### John W Lawis Got That Clair For Meada County.

(Menda Mensenger.)

John W. Lewin, the Republican Congression, which is a fraid to meet his abindow in folial debate, and in his speech here last Timeday that he thought he had placed the people of Mende county moder obligations to him by reason whise means of the second size of the control of the control

burned both those court-house and duringed them.' Is there any man, woman or child Riving In Meade county that ever knew before that the court-thouse of this county had ever been burned. It is newato use we must condex. The re-consist of the count in the statement that the old reart-house was sold, just as listood, when In 18-2 we determined to hailed as the county through the statement of the pide. As this dealing was secured by such takes the statement of the blatory of this county have we lost a court-house or county and the pides of the statement of the list of the statement of the blatory of this county have we lost a court-house the statement of the statement of the statement of the list of the statement of the statement of the theory of the statement of

the U.S. Treasury and refuse to accept our cent of it.

Now are the people of Mcade county going to vote for a man who is so anxious to gain the good will of the people that he is willing to uniserpressed facts in or-der to secure an appropriation for some-thing to which we are not entired. If he thinks that the people of Meade com-tage the surface of the second property of the second property of the second pro-tain the does not honestly belong to us, and we will not vote for any man who will be set to such methods. Let every honest man get to the polls in November and cast his vote for D. H. Smitte, and we pleshe you that Helected, we like we feel survive level in the that no such crederly will be inhalped in.

### Buckner's Record

we accombinate for governor of Kenton Ky, one Such in Frequential in as a Demo-cry to three days iten to one ever thome for a moment that thereal limits and the county possibly be anything else. If also your darvel to intimate at that those to the would some day be engaged in the service of the Republican party, the charge would have been instantly result into only by thereal Resholment and the service of the Republican party to the proposed of the service of the Republican party to the proposed of the service of the Republican party of the following cannot happened to the Evon of June, 1885, General Ruschne je dike respectate to the Republican by the Proposed of the Republican by the Republican by the Republican by the Republican by the Republican deposit and give them gold, and it then demonstrated sliver in order to make gift in a re-admitted, and to further entirely the capitalists at the expense of the people.

e very evils which them made it so of-miss in the syes; such is the logic of General Backner's such is the logic of General Backner's seent attitude. He is not only en-seed in uphobling the single gold stand-ing, which the organized Pemorrary has thingly condemned, but he has even vive president of the I finite. States the Republican decay ticks as the States the Republican decay ticks as possible of the Vas political change ling General Buck-ria a shiulug success.
